UNITED STATES OF AMERICA	§	
	§	
vs.	§	NO: WA:16-CR-00317(8)-ADA
	§	
(8) AARON SEDBERRY	§	

ORDER ACCEPTING REPORT AND RECOMMENDATION -
OF THE UNITED STATES MAGISTRATE JUDGE

Before the court is the above styled and numbered cause. On January 29, 2025 the United States Probation Office filed a Petition For Warrant or Summons For Offender Under Supervision for Defendant (8) AARON SEDBERRY, which alleged that Sedberry violated a condition of his supervised release and recommended that Sedberry 's supervised release be revoked (Clerk's Document No. 840). A warrant issued and Sedberry was arrested. On February 26, 2025, Sedberry appeared before a United States Magistrate Judge, was ordered detained, and a revocation of supervised release hearing was set.

Sedberry appeared before the magistrate judge on March 18, 2025, waived his right to a preliminary hearing and to be present before the United States District Judge at the time of modification of sentence, and consented to allocution before the magistrate judge. Following the hearing, the magistrate judge signed his report and recommendation on March 18, 2025, which provides that having carefully considered all of the arguments and evidence presented by the Government and Defendant, based on

the original offense and the intervening conduct of Sedberry, the magistrate judge recommends that this court revoke Sedberry supervised release and that Sedberry be sentenced to imprisonment for SIX (6) months, with no term supervised release to follow the term of imprisonment, and with credit for time served. It is further RECOMMENDED that Defendant's time in custody run consecutively with any term of custody that might result from the underlying state charges noted in Defendant's Petition for Warrant for Offender Under Supervision (Clerk's Document No. 854).

A party may serve and file specific, written objections to the proposed findings and recommendations of a magistrate judge within fourteen days after being served with a copy of the report and recommendation, and thereby secure a *de novo* review by the district court. *See* 28 U.S.C. § 636(b); Fed. R. Civ. P. 72(b). A party's failure to timely file written objections to the proposed findings, conclusions, and recommendation in a report and recommendation bars that party, except upon grounds of plain error, from attacking on appeal the unobjected-to proposed factual findings and legal conclusions accepted by the district court. *Douglass v. United Services Auto Ass'n*, 79 F.3d 1415 (5th Cir. 1996) (*en bane*). The parties in this cause were properly notified of the consequences of a failure to file objections.

On March 18, 2025, following the hearing on the motion to revoke supervised release, all parties signed a Waiver Of Fourteen Day Rule For Filing Objections To Report and Recommendation Of United States Magistrate Judge (Clerk's Document No.

853). The court, having reviewed the entire record and finding no plain error, accepts and adopts the report and recommendation filed in this cause.

IT IS THEREFORE ORDERED that the Report and Recommendation of the United States Magistrate Judge filed in this cause (Clerk's Document No. 854) is hereby **ACCEPTED AND ADOPTED** by this court.

IT IS FURTHER ORDERED that Defendant (8) AARON SEDBERRY's term of supervised release is hereby **REVOKED**.

IT IS FURTHER ORDERED that Defendant (8) AARON SEDBERRY be imprisoned for SIX (6) months with no term of supervised release, and with credit for time served. The Defendant's time in custody run consecutively with any term of custody that might result from the underlying state charges noted in Defendant's Petition for Warrant for Offender Under Supervision.

Signed this 26th day of March, 2025.

UNITED STATES DISTRICT JUDGE
